Multi-adaptable bus - Our very own multi-adaptable bus is as you will see here and starting to be used. The Tigers were lucky enough to be the first passengers soon after it arrived. The bus is now available to be booked to take you to and from Club. A few of you are already booked on it on a regular basis but if you would like to make use of it then please contact Paul on 07866270213 to arrange. The cost is £2 each way per home (i.e if there is one of you then it will be £4 to club and back but if there are several of you at the same home then the cost will be split between the number of people i.e. 4 people will cost £1 each return). This will hopefully save a few of you some money compared to taxis which are £5 each way! The bus will be filled on a first come first serve basis and will start pickups from 6pm.
